

Winter Sports Update – No Parents/Spectators are to attend practices or games under Alert Level 2

With the recent COVID-19 outbreak bringing our Winter Sport Seasons to a dramatic halt yet again, some adjustments will need to be made to sport for the remainder of the term. Rest assured, College Sport and the regional sports organisations are doing all they can to ensure our winter sports teams can get a few more games in before the end of this term. At this current stage, no matches can be played until the week beginning Monday 7th September however this depends on gathering sizes being extended to 100 or more. We can however start practicing within our school prior to this when we return to school on Monday 31st August. With restrictions in place for gathering sizes under Alert Level 2, there are to be NO spectators at any sports practices or games at Marcellin College or other school venues. To assist us with this, please stay inside your vehicle when you drop off or collect your child from practices and games and please do not allow any other children who do not attend Marcellin College out of your vehicle's either. To help keep our students safe while they are practicing, the driveway along the side of the school which accesses the bottom courts will be blocked off after school so you cannot drive down to the bottom of the school. Current scheduled practices for the remainder of Term 3 starting on Monday 31st August are as follows:

Monday 31st August:

Open A Boys Basketball Practice 3.15pm – 5.00pm
